

LOCKWOOD DISTRICT VOTES ROAD BONDS

Springfield, June 8.—The Lockwood road district Saturday voted \$25,000 for the construction of a system of hard surfaced highways, according to a message received last night by Ed L. Sanford, chairman of the state highway commission. The vote was 222 for the bond issue and 36 against.

The Lockwood road district forms a link in the Springfield-to-Kansas City highway. Two other districts are to vote on the proposition of issuing bonds for good roads within a short time.

Evertson and surrounding territory recently voted \$20,000 by a good majority and other districts are voting heavily in favor of bond issues for the improvements of highway systems, according to word received by Chairman Sanford.

Mr. Sanford urged a large attendance for the monster mass meeting for good roads in Greene county to be held at Convention hall Monday. The principal speakers will be M. V. Carroll, secretary of the Sedalia chamber of commerce, and John Malang, state superintendent of highways.

WEEKLY FINANCIAL REVIEW

Prepared for The Times by the St. Louis Union Bank, St. Louis, Mo.

Exports from the United States in April totaled \$715,000,000, as compared with a total \$605,000,000 for March and \$501,000,000 for April 1918. Value of exports for the first ten months of the fiscal year, ended with April, amounts to \$5,705,000,000, as against \$4,884,000,000 for the corresponding period of the preceding fiscal year. April imports totaled \$273,000,000, a gain of \$5,000,000 over March imports, but a decline of \$6,000,000 from the total for April, 1918. Imports for the ten months ended with April had an aggregate value of \$2,474,000,000, as compared with \$2,362,000,000 for the same period of the fiscal year 1917-1918.

MISSOURI BERRIES SELL WELL IN NEW YORK

The following dispatch from New York appeared in the Kansas City Packer, June 7:

"Most of the strawberries are now coming from Maryland and Delaware, with an occasional lot from New Jersey. Missouri berries are also here and are showing fine quality, are honestly packed and carry pretty well. Missouri growers have taken a great deal of pains with their berries this year and the fruit is selling at higher prices in New York than stock from nearby points. A car of Missouri strawberries here Monday, sold at 25 to 32c per quart and another car was reported sold at 25 and 28 cents. The general range on Delaware and Maryland fruit was from 23 cents to 30 cents, with the very best berries bringing 23 to 32 cents and some poor stock selling down as low as 15 to 20 cents per quart."
